P.U.D) Letter No. 4141-2 dated the 1st November 1945 from the Chief Electrical Engineer submitting for sanction, his proposals for confirmations and changes in tenures in the vacancy caused by the retirement of Dr B.K.R. Broad, General Supdt, Jog Power Scheme, from 16-4-1945, and other existing vacancies in the several grades in the executive establishment and adding that the proposals for confirmation of officers have been made in the order of seniority of the officers

The Auditor, Electrical Department has verified the vacancies, subject to the proposals made in the gazetted and non-gazetted cadres and already submitted by the Chief Electrical Engineer (in his letter Nos 4064 & 2-5-45 4075 & 31-5-45, & 4089 & 6-8-45) being sanctioned by Government. These proposals are still under the consideration of Govt and orders have not been passed on them. In the circumstances, the present proposals may perhaps be held till the previous proposals are sanctioned by Government. The C.E.E. states that

6) The proposals have been checked. Among the General Superintendents of Generation in grade Rs 800-50-1000, Mr. R. Ramakrishna has been proposed to be confirmed as General Supdt of Generation Guntamundam with effect from 16th April 1945 vice Dr B. K. R. Prasad retired. This is in order as Mr Ramakrishna is the senior most officer now and he is in the grade of Rs 800-50-1000 & is entitled for Confirmation in that grade.

Confirmations and changes in tenures in the execu... Establishment of the Electrical Department.

Mr. B. N. Das's appointment as Sub Systems General Supdt of Generation, Sivasamudram now proposed by the C. E. E. is admissible inasmuch as he is the senior most officer among the 1st Grade Supdts. In the Cadre of 1st grade Supdts., it is seen that Mr George Chandy is proposed for confirmation from 16-4-45 vice Mr R. Ramakrishna Confirmed in higher grade. This proposal is in order as Mr. Chandy happens to be the senior most non-permanent 1st grade Supdt to be confirmed now.

Mr. T. L. D'Sa comes next to Mr George Chandy among the 1st grade Supdts. and so his Confirmation now proposed is also in order

The other three proposals regarding change of tenures of Messrs G. Sambasivaiah, K. Matthan and K. Vedantha Iyengar are admissible. But in the case of Mr G. Sambasivaiah, the C. E. E has proposed that he may be appointed as temporary 1st grade Supdt from 5-10-1945 in the vacancy of Hydraulic Engineer sanctioned for the Jog Power Scheme, although this vacancy admits of sub system arrangement. Mr K. Matthan, who is junior to Mr G. Sambasivaiah, has been proposed to be appointed on a sub system basis as a 1st grade Supdt from 5-10-45, which is a better tenure than that of Mr Sambasivaiah. In the circumstances, Mr Sambasivaiah's tenure may be altered to sub system. The C. E. will be consulted if approved.

Mr K. Vedantha Iyengar is next in seniority to Mr K. Matthan & among the 2nd grade officers on Rs 300-50-400 he is the senior most officer and hence he is eligible for 1st grade Supdt's place on Rs 450-50-750. The proposal to shift the seniority of this appointment from acting 1st grade Supdt to temporary 1st grade Supdt from 5-10-45 is admissible.

II. 2nd Grade Superintendents on Rs 300-50-2-400

Messrs. M.V. Sreenivasamurthy and C.B. Cariappa having been promoted as permanent 2nd grade Supdts already in G.O. No. Dis. 1117-19 dated 1-12-45, Messrs B. Ramadas and M.R. Arya, who come next to them among non-permanent 2nd grade Supdts are now proposed for confirmation. This is in order except that the case of Mr Dick Hardeker who was overlooked in the previous orders of promotions sanctioned in G.O. No. Dis/1117-19 dt 1-12-45, is placed over now also for reasons set forth by the Chief in his minute dt 17-2-43 Flag H. He is not also favourably reported upon in the latest confidential report for the period ending 30th June 1945 (P. vide Flag W overleaf)

Mr S.V. Ramarao is continued as Sub Inspector 2nd grade Supdt from 5-10-45 vice Mr Arya and there is no change in the tenure of his previous appointment.

Messrs. M.V. Chellam and B.V. Seshachari are promoted as Sub Inspectors and temporary 2nd grade Supdts respectively from temporary & acting terms. Their promotions have been ordered previously in G.O. Nos. 1117-19 & 1-12-45

overlooking the claims of Messrs S. Gopala Iyengar and N.W. Trotter. Mr S. Gopala Iyengar was unfavourably reported upon even in the latest Confidential report about his work etc. But Mr. N.W. Trotter is shown as being under War service & it is not clear why he should be passed over unless he is declared as unfit for promotion. If approved, the C.E.R will be requested to state his reasons for passing over Mr N.W. Trotter.

9) Station Superintendents Rs 200-25-350.

Mr P.A. Gordon is the senior most among Junior Engineers drawing Rs 300 from 1-7-1939. His continuance as Temporary Station Superintendent Rs 200-25-350 is in order.

10) Assistant Superintendents (Rs 200-25-300) Messrs. A.K. Mehkri and N.G. Srinath who are now Sub Station Asst. Superintendents, are proposed to be confirmed. Mr A. Sankaria Junior Engineer was senior to both of them but he was passed over owing to bad report, his increment having been stopped for six months from 1-7-45. So, the confirmation of Messrs Mehkri & Srinath is permissible.

Mr M.S. Sankaria's tenure is proposed to be confirmed as Sub Station Asst Superintendent. His senior is Mr P.V. Krishnaiah in the Junior Engineer's cadre & his report is not favourable (Private Regd.) The proposal in Mr Sankaria's case is therefore in order.

Mr C. Anandappa is confirmed as Sub Station Asst Superintendent from 5-10-45, his promotion having been approved

Tunnel Engineers (200-20-300):-

Items Nos 25 to 28 in the list now submitted by the C.E. are only changes in the terms of the existing posts held by them and they are being continued as Tunnel Engineers in the scheme changes consequent on the changes in the terms of Asst Engrs.

Messrs Seetharpa & V.K. Narayana Iyengar were promoted as Sub Divnl Tunnel Engineers in the G.O. of 1-12-1945 & they are now proposed for confirmation as Tunnel Engineers.

12) Grade of Rs 125-10-175)

Mr M.S. Krishnaraj is proposed for confirmation in grade Rs 125-10-175 vice Mr M.V. Seetharpa promoted 16-4-45 proposed to be confirmed in higher grade above. M.S. Krishnaraj's promotion to grade Rs 125-10-175 in the first list has not yet been effected & his confirmation is dependent upon sanction to his promotion in the previous proposal of the C.E. to promotion to grade Rs 125-10-175. So also the changes in the terms of appointments of items Nos 32 to 34 are dependent upon sanction to their promotion to grade 125-10-175 which is submitted separately in another file. Items Nos 35 & 36, Messrs Mahomed Yusuf & D.P. Ananthanarayan are items Nos 41 & 42 in the gradation list of Operators on Rs 80-5-125, by the promotion of their seniors having been effected by the C.E. in the earlier list of promotions under consideration separately, leaving Messrs B.S. Srinivasachar, N. Ramachandra Rao & Jeevanthamma Naidu who have been

passed over by the C.E.E. in the first list on the ground that they are unfit for promotion at present.

9) Re: Seniority - The C.E.E. states that his proposals have been made in the order of seniority of the Officers. It is submitted whether the Auditor may perhaps be requested to verify the same; as the Gradation list of the Dept. now available is not up to date.

Rly 7/3/46.

10) In the absence of an approved gradation list it is not possible to Scrutinise the proposals of the CEE. The Auditor may be requested to verify the proposals in relation to the latest gradation list available.

11) It is seen that several people are passed over on the ground that they have either been once passed over or found unfit or the like, repeated while sending up the proposals. This procedure does not appear to be correct. It would always be safe to stick to an approved gradation list and in case any individual is found to be unfit or himself found unsatisfactory, the case must be reported to Govt & if the case deserves it the Govt may order the individual being put down by as many places as is deemed fit. This procedure may be insisted.

CEE has been asking for Govt sanction to all the proposals so far sent.

2) 1) Regarding the tenure of Mr. G. Sambasivah's promotion as temporary, while that of his junior, Mr. K. Matthan is only portion in the proposals, as 1st grade Supdt. in Rs 450-50/2-750, the Chief E.E. explains that the benefits accruing to Mr. G. Sambasivah in the proposed tenure as temporary Hydraulic Engineer in grade Rs 450-50/2-750 are in no way less than those accruing to Mr. K. Matthan who is proposed as Supdt. 1st grade Supdt. vice Mr. B. N. Das. He also states, in this connection, that Mr. Sambasivah, being senior of the two has been provided with

a vacancy of a longer duration, and that the promotion of Mr Mathias in the senatorial arrangements consequent on the deputation of Mr R. Ramakrishna stands to cease on the return of the deputed officer. The C.E.E. finally states that it is admissible even now to treat Mr Sambasivam as substantive in grade Rs 450-50/2-750 against the post of Hydraulic Engineer sanctioned for Tarf Power Scheme, under Art 55 M.S.R. In the circumstances, it is for orders whether Mr Sambasivam's tenure also may be changed to substantive instead of temporary in the list (Flag L).

yes. This may be done. KW 2/4/46

As regards the promotion of Messrs M. Venkatachallam and B.V. Seshachari as 2nd grade Supdts on Rs 300-50/2-400 in preference to Mr. N.W. Trotter, who is now on war service, the C.E.E. states that there is no intention to overlook the claims of Mr. Trotter, that as he is on war service, he is not in a position to enjoy the benefits of promotion and that, it is possible, even now, to promote Mr Trotter as 2nd grade Supdt. per 1st March 1945 in the vacancy and tenure in which Mr M. Venkatachallam, his immediate junior is promoted, and thereby secure him continuing Mr Venkatachallam as such. This, the C.E.E. states will restore him to his legitimate position and requests approval of Govt thereto. This is admissible under G.O. of 9.12.41

Scheme, while Mr K. Matthan, who takes rank below him has been proposed as ~~1st grade~~ First grade Sub postem Supdt from the above-mentioned date, which is a better terms than that of his senior Mr Sambasivan. In the circumstances, I am to enquire whether Mr Sambasivan's terms ~~also~~ may not also be changed from temporary to Sub postem, as no vacancy seems to admit ~~exist~~ of such an ~~his~~ arrangement.

2. Among Second grade Supdts, Messrs M.V. Chellam and B.V. Sheshan have been proposed as Sub postem and temporary II nd grade Supdts respectively to N.W. Trotter, who is now on 1st Supt on Rs 300 in grade Rs 200-20-300 and who is in Govt service from 27-2-1942 is senior to both the above-mentioned two officers as Mr Trotter reached Rs 300 on 1-11-1940 as against 5-10-41 & 27-12-41 in respect of Messrs Chellam & Sheshan. I am to request to be kindly informed as to whether Mr. Trotter cannot be promoted as 2nd grade Supt in preference to his juniors and shown as ~~senior~~ on that duty in Govt service instead of passing over his claims altogether.

3. I am to request in this connection that an up-to-date gradation list of the Electrical Dept both gazetted and non-gazetted (including Maintenance Staff)

ELECTRICAL OFFICE RANIAT BANGALORE. Rec. No. 1756 Date 28.3.1946

The Secretary to the Govt. of Mysore,
Electrical Department,
BANGALORE.

Sir,

Subject:- Confirmation and changes in tenures in the Executive Establishment.

Hq M) With reference to your letter No.EDS-2104 dated the 16th instant, D.P.O returning the proposals enclosed with my letter No.4141-2 dated 1st November 1945, I have the honour to state as follows:-

1. The benefits accruing to Mr. G. Sambasiviah in the proposed tenure as Temporary Hydraulic Engineer in grade ₹450-50/2-750 are in no way less than those accruing to Mr. K. Matthan who is proposed as s.p.t. I-Grade Superintendent vice Mr.B.N.Das. But the former officer being senior of the two, he has been provided with a vacancy of longer duration than his junior. As matters stand at present, the promotion of Mr.Matthan in the seriatim arrangements, consequent on the deputation of Mr.Ramakrishna, stands to cease on the return of the deputationist officer. These are the reasons why Mr. Sambasiviah has been proposed as temporary in grade ₹450-50/2-750 and Mr. Matthan as s.p.t. in the grade. I may, however, add that a temporary appointment can be held either substantively or in an officiating capacity as per Art.55 of M.S.R. As such it is admissible even now to treat Mr.Sambasiviah as s.p.t. in grade ₹450-50/2-750 against the post of Hydraulic Engineer sanctioned for J.P.S.

2. Regarding the promotion of Messrs. M. Venkatachallam and B.V. Seshachar as II-Grade Superintendets in preference to Mr.N.W.Truter, who is on war service, there is no intention to oveflook the claims of Mr.Truter. As he is on war service, he is not in a position to enjoy the benefits of promotion. It is, however, possible even now to promote Mr.N.W.Truter as II-Grade Superintendent from 1-3-1945 in the same vacancy and tenure in which Mr.Venkatachallam, his immediate junior is promoted, and second him

P.T.O.

continuing Mr.M.Venkatachallam as such. This will restore him to his legitimate position. I would request you kindly to obtain approval of Government to this proposal.

3. As regards the compilation of an up-to-date Gradation List of gazetted and non-gazetted Executive Establishment, I wish to state that a list re: Gazetted Establishment will be compiled and sent as soon as orders of Government are received on the proposals under reference. This set of promotions and changes in tenures completes the disposal of all permanent vacancies in the Gazetted Establishment. In the meanwhile, the Civil List corrected up to 1-1-1946 may be allowed to serve the necessary purpose. The gradation list of non-gazetted establishment requires revision only in respect of the last grade, viz., ₹35-5/2-80, as no substantial changes in the other higher grades, viz., ₹80-5-125 and ₹125-10-175 have been made since 1943, and hence the present list corrected up to 1-3-1944 may be allowed to serve as a reference to check the seniority of officers in each grade.

I may in this connection mention that it has not been possible from a long time to bring the gradation list of the Department to a final form owing to non-receipt of orders of Government on some of the proposals for promotions submitted by me from time to time. This aspect of the matter has been brought to the notice of Government in my letter No.4089 dated 6-8-1945, submitting proposals for promotions to grade ₹125-10-175, which are still pending orders of Government. A gradation list which does not cover the promotion of a large number of employees to grade ₹125-10-175 and 80-5-125 which are still held up will not be up-to-date. In order that the long felt need for a final and up-to-date list may be satisfied, I would request you kindly to obtain very early orders of Government on the proposals for promotions to grade ₹125-10-175, so that the consequential vacancies in grades ₹80-5-125 and ₹35-5/2-80 may be filled up by me and a gradation list corrected up to 1st July 1946 at least may be compiled so as to facilitate the early disposal of vacancies arising in future.

The statement received with your letter under reply is herewith

returned for needful further action.

I have the honour to be,
Sir,
Your most obedient servant,

Chief Electrical Engineer.

1. Item (4): The present tenure of this officer being Permanent II Grade Superintendent, this fact may be mentioned against his name, instead of the nature of the tenure not having been stated as now done.

2. Item (5): The present tenure of Mr. G. Sambasiviah as ordered in G.O. No.1117-19 of 1-12-45, is S.P.T. I Grade Superintendent as against Tempy. I Grade Superintendent, mentioned in the proposal.

3. Item (12): Mr. M.V. Chellam has been proposed as S.P.T. II Grade Superintendent from 5-10-1945 only vice Mr. Trutter on War Service, whereas in G.O. No.EDS.1117-19 of 1-12-45, Mr. M.V. Chellam was given a place from 1-3-45 to 5-4-45 as Tempy. II Grade Superintendent, and from 6-4-45 as Acting II Grade Superintendent. As Mr. Trutter has now been proposed in the above place from 1-3-45 to 5-10-45, it has to be made clear that Mr. M.V. Chellam is to be counted as Tempy. Date 12th JULY 1946.

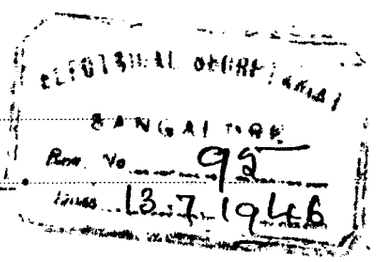
To

The Secretary to Government,
Electrical Department,
Bangalore.



Sir,

Confirmation and changes in tenure in the Executive Establishment of the Electrical Department.

P)

With reference to your letter No.EDS.77/Elecl. 81-41-5 dated the 9th July 1946, I have the honour to state that Mr. V.K. Narayana Iyengar is senior to Mr. M.V. Seethappa as he was promoted as Ag. Junior Engineer from 1-3-1943 in G.O. No.EDS.1156 of 20-10-1944, while Mr. M.V. Seethappa was promoted to the Gazetted Cadre only from 10-8-1943 in G.O. No.EDS. 1117-8 D/1-12-1945. Though in G.O. No.1117-19 of 1st December 1945, the name of Mr. Seethappa appears above that of Mr. V.K. Narayana Iyengar, it is the latter that has been given a superior lien. The arrangement of names in that list was not strictly in accordance with Seniority.

When the list submitted by the Chief Electrical Engineer in November 1945 was received in this office, only the vacancies ~~to be~~ were verified and the correct relative position of the two was not pointed out. As this however, assumed importance after receipt of G.O. No.1233-35 of 18-12-1945 regarding the confirmation of the probationers, this had to be pointed out in this office D.O.No.46 of the 5th July 1946.

I have the honour to be,
Sir,
Your most obedient servant,

D. Venkataramaiyangar

AUDITOR,
Electrical Department.
